**BEECHCRAFT KING AIR C90GT, GTi & GTx**

**Did You Know?**

The King Air GT, GTi and GTx models all feature the more powerful Pratt & Whitney Canada PT6A-135 engines providing better climb & cruise performance than the King Air C90. The Collins Pro Line 21 avionics suite was added to the King Air GTi. The GTx is a King Air GTi with winglets and increased wingspan.
